ORDER OF THE BATH.*War Office, December 29, 1863.*

THE QUEEN has been graciously pleased to give orders for the appointment of Colonel Alexander Tulloh, of the Royal Artillery, having the temporary rank of Major General while he served as the Director of Ordnance, to be an Ordinary Member of the Civil Division of the Third Class, or Companions, of the Most Honorable Order of the Bath.

War Office, December 31, 1863.

THE QUEEN has been graciously pleased to give orders for the appointment of Commissary General in Chief John William Smith, *C.B.*, to be an Ordinary Member of the Military Division of the Second Class, or Knights Commanders, of the Most Honorable Order of the Bath. (*Gaz.* 12 Jan. 1864.)

THE VICTORIA CROSS

CONTINUED FROM

"The Monthly Army Lists" of March, June, July, October and December 1857, January, February, May, July, September, October and November, 1858, January, February, May, June, July, August, October, November and December, 1859, February, March, June, July, September, October and December, 1860, March, April, August and September, 1861, and March, June, July, December, 1862, and May, 1863.

*(Gaz. 19 January.)**War Office, 16th January, 1864.*

THE QUEEN has been graciously pleased to signify her intention to confer the Decoration of "The Victoria Cross" on the under-mentioned Officer and Non Commissioned Officer of Her Majesty's Army, whose claims to the same have been submitted for Her Majesty's approval, on account of Acts of Bravery performed by them in New Zealand, as recorded against their names, viz. :—

65th Regiment.—Color Serjeant (now Ensign) **EDWARD M'KENNA.**—Date of Act of Bravery, September 7th, 1863.—For gallant conduct at the engagement near Cameron-town, New Zealand, on the 7th of September, 1863, after both his officers, Captain Swift and Lieutenant Butler, had been shot, in charging through the position of an enemy heavily outnumbering him, and drawing off his small force, consisting of two serjeants, one bugler, and thirty-five men, through a broken and rugged country, with the loss of but one man killed, and another missing. Lieutenant General Cameron, *C.B.*, commanding Her Majesty's Forces in that colony, reports that in Color Serjeant M'Kenna the detachment found a commander whose coolness, intrepidity and judgment justified the confidence placed in him by the soldiers brought so suddenly under his command.

65th Regiment.—No. 261 Lance Corporal **JOHN RYAN.**—Date of Act of Bravery, September 7th, 1863.—For gallant conduct at the engagement near Cameron-town above referred to. This Non Commissioned Officer, with Privates Bulford and Talbot, of the same Regiment, who have been recommended for the Medal for distinguished conduct in the field for their behaviour on the same occasion, removed the body of the late Captain Swift from the field of action, after he had been mortally wounded, and remained with it all night in a bush surrounded by the enemy.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

REGULATIONS to be observed by RETIRED GENERAL and FIELD OFFICERS whose Names are retained in the ARMY LIST.

ALL RETIRED GENERAL AND FIELD OFFICERS whose names are allowed to be retained in the ARMY LIST, whether they may have sold out since or previously to the issuing of Her Majesty's Royal Warrant of the 6th October, 1854, shall send a Notification* to Her Majesty's Secretary of State for War of their being alive on the *1st January* and the *1st July* of each year.

If such Notification due on the 1st January be not received at the War Office by the 1st April, and that due on the 1st July by the 1st October, it will be concluded that the Officer is deceased, and his name will be removed from the ARMY LIST.

Garrison Libraries and Regimental Recreation Rooms.

Gen. No. 2—3224.

War Office, 9th December, 1863.

1. THE Secretary of State for War, in order to provide more effectually for garrison libraries and regimental recreation rooms, in accordance with War Office Circular No. 798, and Horse Guards General Order No. 823, has caused the accompanying memorandum, with plans based upon the instructions contained therein, to be drawn up.

2. In garrisons where accommodation exists for more than one regiment, a provision for a garrison library should be proposed, if such has not already been made, as well as for recreation rooms for each regiment. The garrison library should consist of one or more adjoining rooms, proportioned to the strength of the garrison, with a room for the librarian. It is to be the central dépôt from which books are to be issued to the different regiments in garrison, and in which books of reference, or others which cannot be issued from it may be read.

3. Where accommodation exists for one regiment only, the regimental recreation rooms will serve also as the library: see the accompanying plans.

4. The accompanying plans and memorandum show the nature of the accommodation to be provided for regimental recreation rooms, and the style to be adopted where the erection of new buildings may be necessary.

5. The required accommodation should, however, be obtained by the appropriation of existing buildings, whenever this can be done without interfering with the regulated space of 600 cubic feet per man in temperate climates, and from 1,000 to 1,500 cubic feet per man in tropical climates; the more so as the erection of new buildings can only be proceeded with gradually as funds are available.

6. Lord de Grey requests, therefore, to be furnished with reports from each station occupied by one or more regiments or battalions, showing what accommodation now exists for garrison libraries and regimental recreation rooms, and submitting in the manner pointed out by Circular 530 a re-appropriation for that which may be wanting, as far as the barrack accommodation will admit of it. With each report should be transmitted plans of the existing libraries and rooms, and of those proposed to be appropriated, showing the windows and fire-places in each, and also the relative position of the rooms to one another, together with a statement of the length, breadth and height of each room, and size of windows, and a description of the grates or ranges therein.

7. These reports should also be accompanied by separate demands for the furniture, games, utensils, fuel and light required, made out in accordance with the annexed schedule.

CIRCULAR No. 846—continued.

8. Such furniture, games and utensils as the Secretary of State may, upon the receipt of these demands, authorize to be supplied, will be provided at the public expense. They are to be considered as barrack stores, and are, together with the rooms, to be inspected, and any damages or deficiencies to be assessed and made good without delay, according to the barrack regulations. The amount assessed is to be recovered from the troops in the usual manner, the charges being paid from the funds of the recreation rooms when they cannot be assessed against individual soldiers.

9. Fair wear and tear *repairs* are to be performed in the usual manner, but are to be separately shown in the ordinary returns and accounts.

10. Articles requiring to be *replaced* from fair wear and tear, or additional articles required, will be supplied at the public expense on the requisition of the Commanding Officer to the barrack master, subject in each case to the approval of the Secretary of State.

11. These directions, so far as games only are concerned, are, with the concurrence of His Royal Highness the Field Marshal Commanding in Chief, to be substituted for those contained in Articles 39 to 43 of Horse Guards General Order, No. 823.

MEMORANDUM RELATIVE TO REGIMENTAL RECREATION ROOMS.

Construction.

1. The accommodation need not be costly. It should provide for 30 per cent. of the barrack accommodation.

2. One-half of the surface area should be for the books and reading-room, and the other half for the game-room.

In rooms of unequal size, the game-room should be the larger.

3. The building might be on either of two plans. The one, all ground floor, having the bar between the reading-room and the game-room; the other, in two floors, the reading-room above and the bar on the ground floor, opening into the game-room.

4. The height of the rooms should be in proportion to the length and breadth. A square room would be more comfortable than a long narrow room. Top lighting would be advantageous, in addition to windows, and there should be comfortable fire-places, with good ventilation and conveniences.

5. When a separate kitchen is not necessary, the bar should have a small kitchen-range and boiler, and a money-till with lock, also means of preparing tea, coffee, washing and putting away plates, tea cups, &c.

6. The walls and ceilings should be plastered and coloured, and the rooms fitted with officers' or other suitable grates.

7. A broad glazed verandah along one side of the buildings for the men to sit under in wet weather should be provided when practicable.

8. Gas, or, in default, moderator oil lamps, to be used for lighting the whole establishment.

9. Cloak pins should be provided to the extent of 20 per cent. of the barrack accommodation.

10. The buildings to be capable of extension to meet the increase of subscribers.

11. In re-appropriations where two rooms cannot be spared for recreation rooms, one may be proposed for both reading and games, in accordance with Article 4 of Horse Guards General Order, No. 823, until more ample accommodation can be afforded.

GENERAL ORDER, No. 841.

Discharges.—1 (1864).

Horse Guards, S. W., 5th January, 1864.

With a view to the more speedy removal from the Army of bad characters sent home from Foreign Stations for discharge, His Royal Highness the Field Marshal Commanding in Chief has been pleased to direct, with reference to paragraph 27, page 187, of "The Queen's Regulations and Orders for the Army,"—

That men duly authorized to be discharged with ignominy on the recommendation of a Court Martial, or as incorrigibly bad and worthless characters, are to be accompanied by their discharge documents, as well as by the usual "No. 1 Report," or other papers necessary to settle with them, in all cases in which their imprisonment has expired before embarkation, or is likely to expire during the voyage.

The general or other officer commanding at the port of disembarkation is hereby empowered to confirm the parchment certificates of such men as soon as they are settled with, and then to transmit the "Proceedings of the Regimental Board" (unconfirmed) to the Adjutant-General for the confirmation of the Commander in Chief, reporting the date for which the parchment has been confirmed.

In the case of those who will have to complete their "imprisonment," (not penal servitude) after arrival at home, the discharge documents are to be transmitted to the Regimental Depôt, to be forwarded to the Adjutant-General for confirmation a short time prior to the expiration of the sentence.

After the report ordered by Horse Guards Circular No. 108, 21st February, 1861, has been made, the documents of such men sentenced to penal servitude as are authorized to be discharged, are to be forwarded to the Adjutant-General, with a Report of the date of the convict's embarkation for the United Kingdom.

By Command of HIS ROYAL HIGHNESS'

THE FIELD MARSHAL COMMANDING IN CHIEF.

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's Dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Field Marshal Commanding in Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British Subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Field Marshal Commanding in Chief or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Medical Aid Regulations.

38163—12.

HOME AND FOREIGN.

War Office, 30th January, 1864.

THE annexed Regulations, prescribing the conditions under which medical aid may be given to the sick wives and children of Officers, Non-commissioned Officers, Privates and other persons entitled to such aid, having been approved by the Secretary of State for War, in concert with His Royal Highness the Field Marshal Commanding in Chief, are promulgated, for the information and guidance of Officers Commanding, Medical Officers, Purveyors and others.

EDWARD LUGARD.

REGULATIONS under which Medical Aid is to be given to Sick Wives and Children of Officers, Non-commissioned Officers and Privates, and other Persons entitled to such Aid.

I. As some misapprehension exists regarding the meaning of Sections XII and XIII of the Medical Regulations relative to the medical attendance, &c., to which sick women and children and other persons are entitled at the public expense, and as inattention to these Regulations has in several instances led to irregular expenditure, it is necessary to call the attention of Commanding and Medical Officers to the conditions under which medical aid is granted to the persons in question, and to direct that all parties concerned shall henceforth strictly observe the following Rules:—

II. Medical aid will be given to persons entitled thereto where there is a Military Medical Officer (or a Civil Practitioner employed at contract rates), provided the persons entitled reside within a radius of one mile of the Staff Dispensary, or of the Hospital of the Station, or of such other point as may from time to time be fixed by the Secretary of State for War. But attendance cannot be claimed for women in childbirth, in the case either of the wife of an Officer or of any one entitled to medical aid, unless the assistance of a Midwife or Medical Practitioner cannot possibly be procured.

CIRCULAR, No. 849—continued.

III. The following are the persons so entitled to medical attendance and medicine:—

1. Wives, children and servants of Officers;
2. Wives and children of Non-commissioned Officers and Privates having right to quarters in Barracks;
3. Wives and children of Officers and of Non-commissioned Officers employed in paying and superintending Out Pensioners;
4. Wives and children of Clerks, Office Keepers, Orderlies, permanent laborers and of other persons permanently employed in the Military and Civil Departments of the Army.

IV. Domestic servants requiring medical attendance and medicine must attend at the Hospital at fixed hours, unless their illness is of such a nature as to prevent their doing so.

V. Neither medical attendance nor medicine can be claimed for the families of persons engaged in the Civil Departments of the Army, unless a nominal list of the persons so employed, specifying their respective occupations, be furnished on the last day of each month to the Principal Medical Officer of the station by the Head of the Department to which the persons belong.

VI. Families attended in their own Quarters will receive necessary medicines, but (with the exception of the wives and children of Non-commissioned Officers and Privates having a right to Quarters in Barracks) they will not be entitled to any articles of subsistence at the public expense, and no charges under this head will be allowed in future. The following are the only articles which may be issued as medical comforts to the wives and children of Soldiers married with leave, and having a right to Quarters in Barracks, viz.: Port wine, brandy, arrowroot and essence of beef. Each case receiving medical comforts must be invariably entered in the Medical Case Book, otherwise the expense of the articles issued will be charged to the prescribing Medical Officer. Medical comforts given in such cases should be demanded daily from the Purveyor on Form 1,198, entered on the Form of Diet Sheet printed at page 8.

VII. At several Stations, hospitals for women and children have been provided, because the limited accommodation for married persons in Barracks has rendered such hospitals necessary.

VIII. The only persons who have a claim to admission into these hospitals are the wives and children of Non-commissioned Officers and Privates entitled to Married Quarters in Barracks; and so long as such wives and children are under medical treatment in any such hospital, they will receive at the public expense (in addition to medical attendance and medicine) such hospital diets as may be ordered for them by the Medical Officers, together with such of the articles of extras specified in Art. XI, paragraph 2, below, as may be deemed necessary. Male children above ten (unless in very special cases) should not be admitted into hospitals for women and children.

IX. No persons, other than the wives and children of Non-commissioned Officers and Privates entitled to Married Quarters in Barracks, are entitled to admission into any of the said hospitals.

X. If, in any female hospital, there be vacant beds, and if the Medical Officer is of opinion that any of these beds might, without detriment to those for whom the accommodation was originally intended, be temporarily set apart for the use of the sick wives and children of persons not entitled by these Regulations to admission into hospital, he may, with the approval of the Officer Commanding, admit any such case on payment of the usual hospital stoppage; but these persons would be subject to removal in the event of the bed being required for a case entitled to admission under the Regulation.

XI. The following Regulations are to be observed in female hospitals, till complete arrangements can be made:—

1. At every station where a Female Hospital has been provided, a Committee of Officers may be appointed by the Officer Commanding at the station, who will have charge of the Charitable Fund connected with the Institution, and will deal with all financial matters connected with it which may be referred to them.

A Committee of Ladies selected by the Committee of Officers will undertake the visitation of the Hospital, and the management of extra clothing supplied by the Charitable fund. They will inquire into cases of distress brought to their notice, and will make thereon such suggestions to the Committee of Officers as may seem to them to be necessary.

The Ladies' Committee may appoint a sub-committee of not fewer than three to perform the duties hereinafter mentioned.

CULAR, No. 849—continued.

4. The Medical Officer attached to the Hospital will take charge of all cases of illness admitted therein, and also of lying-in women and their infants. He will prescribe medicines for them from the Surgery Stores, and order diets and medical comforts from the Purveyor's Stores (in conformity with existing Regulations as to Hospital Diets and Extras). The scale of Hospital Diets will be that prescribed at the 60 of the Medical Regulations;* in addition to which the following extras will be allowed:—Wines, spirits, malt liquors, arrowroot, sago, eggs, milk, tea, sugar, beef or essence of beef, oranges and lemons; 4 oz. of oatmeal and 8 oz. of milk may be issued on spoon diet in lieu of 2 oz. of arrowroot and 1 oz. of sugar. The cases in which extras are prescribed must be invariably entered in the Medical Case Book of the Medical Officer, who will otherwise be held responsible for the cost of the issues.
5. The Purveyor will furnish female wards with the usual ward equipments; he will see that the bed and body linen of the patients is properly washed, and that the wards are warmed and lighted to the satisfaction of the Medical Officer.
6. The Purveyor will discharge the same duties as to repairs in Female Hospitals as he does in Military Hospitals generally.
7. The Medical Officer is charged with the discipline over the patients in hospital.
8. A matron (who should, if possible, be competent to act as midwife), and one or more female nurses will be allowed to each Hospital, on the requisition of the Principal Medical Officer, made through the Officer Commanding to the Secretary of State for War, and will be appointed in the following manner:—
9. All applications and testimonials respecting candidates for the office of Matron (who should be unmarried or a widow) will be transmitted through the Officer Commanding to the War Office by the Ladies' Committee, who will make the necessary inquiries as to character and ability, and report the result through the same channel to the Secretary of State for War.
10. The Matron, when appointed, will engage her nurses and other assistants, and will be held responsible for their conduct. Matrons, nurses, &c., will receive from the Purveyor such pay and allowances as may be sanctioned by the War Office. Whenever it is practicable to do so, a preference should be given in these appointments to deserving widows of Non-commissioned Officers, if found to be as competent as other applicants.
11. Local Committees might select widows or unmarried daughters of Non-commissioned Officers to be sent to King's College Hospital for training as midwives.
12. The offices of Matron and midwife should, when practicable, be held by the same woman.
13. Matrons and nurses in Female Hospitals will obey any regulations respecting discipline, and the proper discharge of their duties, which may from time to time be issued for their guidance.
14. The Matron or nurse shall receive and obey the Medical Officer's orders in all matters relating to the care and nursing of the sick; general management and cleanliness of wards; administration of diets and medicines, of enemas, &c.; cleanliness of the sick; the warming and ventilation of the wards; and shall render to him whatever aid he may require in the wards.
15. In the event of a nurse disobeying the directions of the Medical Officer, or being guilty of any improper conduct, the Medical Officer will bring the subject to the notice of the Matron, who will see that the cause of complaint is immediately removed.
16. If the Medical Officer is not satisfied with the result of his representation to the Matron, or if he is not satisfied with the manner in which the Matron conducts herself or performs her duties, he will notify the specific case directly to the Committee of Ladies, who will immediately take such steps as they may consider necessary, reporting the same to the War Office through the Officer Commanding.
17. Reprimands, suspensions or dismissals of nurses for neglect of duty or for misconduct will proceed solely from the Matron; and similar acts of discipline exercised in the Matron will proceed direct from the Ladies' Committee.
18. When subscriptions have been raised for supplying articles for clothing, &c., to women and children while in the Hospital, the Sub-Committee of Ladies already mentioned will superintend the issue of such clothing, and the Matron or nurse, as the case may be, will account to the Sub-Committee for all articles issued.

* When beef tea diets are issued to children, 1 oz. of butter and vegetables may be added, at the direction of the Medical Officer; and when milk diets are prescribed as the most suitable for children who do not need meat or animal broth, 1 oz. of butter and 1 egg may be given as extras, if considered necessary.

CIRCULAR, No. 849—continued.

14. The Ladies of the Sub-Committee will be entitled to visit the Hospital daily at such times as the Medical Officer may appoint, and will also have the power at any other time of visiting patients who may specially send for any of them.

15. During such visits the Ladies will not interfere with the treatment or nursing of the sick; but if any matter comes to their knowledge which in their estimation concerns the welfare of the patients, they will, if it refers to nursing duties, bring it to the notice of the Matron, or if it concerns the Matron herself they will bring it before the Ladies' Committee.

16. Chaplains will have the power of visiting the sick at such times as may be arranged in concurrence with the Medical Officer in charge, and at other times when they are specially sent for by patients.

17. Friends of patients in Hospital will be admitted at times appointed by the Medical Officer.

XII. At stations where no Female Hospitals are allowed, there will be no objection to the allotment of a room in barracks, if available, as a ward for the reception of such cases of sick women and children as it may be deemed expedient to remove from their quarters; and equipment and fuel and light will be provided for any such ward by the Purveyor; but it is to be distinctly understood that under no circumstances will any expense for diet or nursing be admitted as a charge against the public.

Guard Room grate by the Barrack Master, on his receiving a requisition which must be signed as laid down in Par. 5, and which must have a certificate annexed that the degree of cold above stated was reached.

3. During the intermediate months, when the men cook on guard, 20 lbs. in addition to the regulated issue per diem for cooking may be drawn for each guard, except where the new Guard Room range has been introduced.

4. Upon any wet day during the summer months, an issue may be made at the rate per day laid down for the intermediate months, on a requisition, signed as laid down in par. 5, being forwarded to the Barrack Master. Upon other days in summer no issue is to be made, except in the case of the cooking being done on guard, when 40 lbs. daily for the guard may be given.

5. The requisitions above alluded to should be attached to the weekly fuel return, and should be signed, in a garrison, by the General Officer Commanding or a Garrison Staff Officer, or by the Field Officer of the day if there be no responsible Staff Officer of the Station, or by the Officer commanding at Stations where there is no Field Officer of the day.

11. Upon any day when the temperature of the external air on the previous night has fallen to that indicated in Par. 2, one-third fuel, in addition to the regulated allowances under Circular 767, may be issued for warming the rooms of Regimental Officers and men and Orderly Rooms and Guards in wooden barracks or wooden huts, on a requisition, signed and certified as directed in Pars. 2 and 5 of this Circular, being transmitted to the Barrack Master.

12. Whenever the temperature falls to that indicated in Par. 2, and the cold appears likely to continue, an extra blanket per man may be issued to Troops occupying wooden barracks or wooden huts, or barracks in which the improved system of ventilation has been introduced, or in which a space of 600 cubic feet is allotted to each man, on a requisition to the Barrack Master from the General Officer commanding the district. These blankets are to be returned into store the day after the temperature at night has risen to above the freezing point.

GENERAL ORDER. No. 842.

Musketry—1 (1864).

Horse Guards, S. W., 25th January, 1864.

His Royal Highness the Field Marshal Commanding in Chief has desired the annexed table, showing the "Figure of Merit" of the several Corps in the United Kingdom and in North America, which have completed the course of musketry drill and practice for the year 1863—4, with other data bearing on the subject, to be published in the General Orders of the Army.

The shooting of the corps in question has, on the whole, improved—there being 68 out of 87 whose "Figure" is over 40 points.

His Royal Highness has further directed a return to be annexed detailing the "Figure of Merit" of the troops in New Zealand for the year 1862—3, which did not appear in the last Report from the School of Musketry,—the annual musketry practice returns not having been received when that Report was published.

The following words are to be substituted for the latter clause of page 21, paragraph 38, of the Annual Musketry Report for the last year as regards the Shooting of the Troops

GENERAL ORDER, No. 842—continued.

II. The age of Candidates examined for direct appointments will be, until further notice, from 18 to 20 years for the Infantry, from 18 to 22 years for the Cavalry, and from 18 to 26 years for Colonial Corps.*

In the event of a Candidate not appearing for examination at the time appointed, such Candidate will not be permitted to attend on the next occasion, and he will render himself liable to have his name either erased entirely or placed at the bottom of the list of those noted for examination.

IX. **REGULATIONS of the Royal Military College, at Sandhurst,
relative to the Admission, Education and Military Training
of Gentlemen Cadets.**

D.—3.

Horse Guards, S. W., 1st January, 1864.

HER MAJESTY having been pleased to direct that the Regulations of the Royal Military College at Sandhurst, relative to the admission, education and military training of Gentlemen Cadets should be revised and corrected, the following are to be substituted for those now in force.

Admission.

1. Candidates for vacancies at the Royal Military College, Sandhurst, will be required to undergo an examination under the superintendence of the Council of Military Education. Examinations for this purpose will be held in June and December of each year at the Royal Hospital, Chelsea.

2. Twenty Queen's Cadets will be borne on the establishments, being the sons of Officers who have fallen in action, or have died of wounds received in action, or of diseases contracted on service abroad; and who have left their families in reduced circumstances. Fifteen will be sons of Officers of the Army, and five will be sons of Officers of the Royal Navy and Royal Marines.*

* These limited numbers include the Cadets who have entered the College, and those Candidates who have been granted the educational allowance referred to in Article 47.

Regulations R. Mil. Coll.—continued.

There will be, in addition, twenty Indian Cadetships, for nomination to which the sons of persons will be selected who have served in India in the Military or Civil Services of Her Majesty, or of the East India Company.

3. The age of admission of Candidates, whether for the Infantry or the Cavalry, will be between 16 and 19 years.*

Students from the Universities will be admissible at the ages stated in Art. 11 of these Regulations.

4. Every Candidate for admission must apply (if under age through his parent or guardian) to the Commander in Chief to have his name entered on the list of Candidates.

5. He must transmit, with his application, the following documents, viz.:—(a) An extract from the register of his baptism,† or, in default of that, a declaration before a magistrate, taken by one of his parents, giving his exact age. (b) A certificate from the minister of the church or denomination to which he belongs, of his having been duly instructed in the principles of the Christian religion.

6. His name having been placed upon the list of Candidates, it will be open to him to offer himself at any of the half-yearly examinations which may occur while he is within the prescribed limits of age. If unsuccessful in obtaining one of the vacancies at the college, he will be allowed to present himself at any subsequent examination until he has exceeded the maximum age. After he has exceeded the maximum age, he can only be admitted into the Army on obtaining a direct Commission by purchase, in the usual manner, after passing a qualifying examination.

7. He will be examined by a Medical Officer who will ascertain whether he is free from all bodily and organic defects, and whether, as far as regards physical constitution, he is in every point of view fit for military service.

8. The following are the subjects in which papers will be set at the half-yearly examinations for admission, together with the number of marks at present assigned to each subject, viz.:—

Classics	{ Latin, 2,000 } { Greek, 1,600 }	3,600
Mathematics	3,600
English language	1,200
Modern languages, each	1,200
History with Geography	1,200
Natural Sciences (i.e. Mineralogy and Geology)	1,200
Experimental Sciences (Chemistry, Heat and Electricity, including Magnetism)	1,200
Geometrical Drawing	600
Free Hand Drawing	600

Of the above subjects, the elementary portions of Mathematics and the English language are obligatory on each Candidate.

The following elementary branches will be included in the obligatory section of Mathematics, viz.:—

In Arithmetic; vulgar and decimal fractions, proportion, extraction of the square root, and interest.

In Algebra; fractions, simple equations, and questions producing them.

In Euclid; the first three books.

To these elementary branches 1,200 marks (out of the whole 3,600 for mathematics) will be allotted, and it will be necessary for qualification that at least 400 be obtained, of which 200 must be obtained in arithmetic.

In the English language 400 marks will be allotted to correct and legible writing from dictation, and to composition; and of these it will be necessary for qualification that 200 be obtained.

And in addition to the marks above stated as necessary for qualification in Mathematics and English, every Candidate will be required to obtain in these and the other subjects of examination such a further number of marks as shall raise the entire number he obtains to 1,500.

* This Regulation will not come into force till the examination of December, 1864. The limits of age for the examination of June, 1864, will be 16—20 for the Infantry and 16—22 years for the Cavalry.

† Note.—When the Register of Baptism does not contain the date of birth it should be accompanied by a memorandum, signed by one of his parents or guardians, stating the day on which the Candidate was born.

Regulations R. Mil. Coll.—continued.

No marks will be allowed to count in any subject left optional to the Candidate, unless he gain at least one-sixth of the whole number allotted to that subject.

9. Every Candidate will be required to forward to the Military Secretary, Horse Guards, one month before the examination, a statement of the subjects he desires to take up, as well as a certificate from the master or tutor under whom he has been educated, of his general moral conduct for at least the two preceding years. If a Candidate has failed in a previous examination he will only be required to forward a list of the subjects he selects, and a certificate of conduct between the two examinations.

10. After the examination, the Candidates will be reported to the Commander-in-Chief in the order of their merit, and will be appointed accordingly as far as vacancies will allow.

11. Candidates who have passed the examinations called "responsions" and "moderations" at the University of Oxford, or those called "previous examinations" at the Universities of Cambridge and Dublin, or the matriculation examination of the University of London, will be considered as qualified for admission to the Royal Military College, without further examination.

Candidates from the Universities must not be more than twenty-one years of age for the Infantry, nor more than twenty-three years for the Cavalry. They will be required to send to the Military Secretary, Horse Guards, two months before the commencement of the term at which they desire to enter, certificates from the responsible authorities of their College, of general moral conduct during residence at the University, and of having passed the above-mentioned examinations, together with the certificate of age, as required by clause 5.

Should the number of general Candidates be considerably in excess of the number of vacancies at the College, a suitable portion of those vacancies will be offered to the University and to the competing Candidates respectively.

12. Candidates for admission as Queen's Cadets must apply for a nomination to the Commander in Chief, if the sons of Officers in the Army; or to the First Lord of the Admiralty, if the sons of Officers in the Royal Navy, or Royal Marines. The above nominations will be made by the Commander in Chief or First Lord of the Admiralty, with the concurrence of the Secretary of State for War. The Secretary of State for India in Council will nominate to Cadetships for the Indian services.

Provision of Necessaries, Books, &c.

13. Every Gentleman Cadet will receive from the Governor of the College a list of the articles of clothing, books and instruments with which he must provide himself before joining the College, and which he will be required to keep complete during his residence.

Any other books, instruments or drawing implements that he may subsequently require for the prosecution of his studies will be provided at the College, and charged to his account.

Payments, Contributions, &c.

14. The amount of contribution for education, board, washing and medical attendance, on account of each Cadet, is as follows:—

	Per Annum.
a. For sons of Private Gentlemen	£100
b. For sons of Admirals and General Officers having regiments or receiving Indian Colonels' allowances	80
c. For sons of General Officers	70
d. For sons of Captains and Commanders of the Royal Navy, and Field Officers of the Army having substantive rank	50
e. For sons of all Officers of the Royal Navy and Army under the above rank	40
f. For sons of Officers of the Royal Navy and Army who have died in the service, and whose families are proved to be left in pecuniary distress	20
g. Queen's Cadets and Cadets nominated by the Secretary of State for India in Council	Free.

15. General Officers on the Non-effective List will pay according to their last substantive rank.

Officers who have sold their commissions, are, in this classification, reckoned as private gentlemen.

The cases of Officers who have retired voluntarily upon half-pay previous to having served twenty-five years on full pay will be specially considered.

Regulations R. Mil. Coll.—continued.

Officers who retire on half-pay after twenty-five years' service on full pay will be entitled to be classified for payment with the rank in which they last served.

16. The orphans of Officers whose claims do not come under classes *f* and *g* must contribute according to the substantive rank last held by their fathers.

17. For sons of Officers who have retired on full pay, the payments will be according to the substantive rank last held by their fathers.

18. The sons of Officers of Civil Departments having relative rank with Officers of the Army and Navy, of the Permanent Militia Staff and of Adjutants of the Volunteer Force, are admissible to the College on the same terms as those prescribed for the sons of Officers of the Army and Navy of corresponding rank.

19. The sons of Indian Naval and Military Officers not specially nominated by the Secretary of State for India will be admitted on the same terms as the sons of Officers of the Queen's service.

20. Contributions for the sons of Professors at the Staff and Cadet Colleges, at the Royal Military Academy and at the late Indian College, Addiscombe, will be £50

For the sons of Masters at the above Institutions 40

21. Any change which may take place by promotion or retirement in the rank of the father of a Cadet must be immediately notified to the Military Secretary, in order that the contribution paid to the College on account of such Cadet may be regulated accordingly.

22. *Previously* to the admission of a Cadet (not a Queen's Cadet) he, or, if a minor, his parent or guardian, will be required to make the following payments, viz. :—

1. His contribution for half-a-year.

2. The sum of £15 for the provision of his first equipment of uniform clothing.

3. The sum of 10s. for the support of the Company Reading Rooms of the Gentlemen Cadets.

4. A deposit of £15, on account, for contingent expenses.

23. The above sums are to be paid to the Paymaster of the Royal Military College at Sandhurst.

24. For each succeeding half-year, the regulated contribution is in like manner to be paid in advance to the Paymaster of the College, to whom must also be remitted the sum of £5 for the further provision of uniform clothing, and such sum as may be required to make up the contingent deposit to £15. The amount of this balance will be shown by an account rendered at the end of every half-year of the sums paid out of the deposit during the past term.

25. No Cadet on whose behalf these regulations in regard to payments have not been complied with will be received at the College.

26. No refund of contribution will be made for any portion of the half-year in which the Cadet may be removed from the Establishment, without the special sanction of the Secretary of State for War.

27. No payments will be required from Queen's or Indian Cadets.

28. If a Cadet be rusticated during a term, his contribution for the half-year will be forfeited.

29. If absent a whole term in consequence of rustication or sickness, a contribution of £10 will be required for the privilege of his name being kept on the rolls of the Establishment, and for a vacancy being guaranteed at the commencement of the next term.

30. If absent from sickness during any portion of a term, a refund of that portion applicable to subsistence will be permitted.

31. In the cases of Cadets of the orphan class, whose annual contribution is only £20, the amount to be paid when the absence extends over a whole term will be submitted to and determined by the Secretary of State.

32. Every Gentleman Cadet will be supplied with a weekly allowance of pocket money, at the discretion of the Lieutenant Governor of the College; but this allowance will not exceed four shillings and sixpence a week for a Gentleman Cadet who is a responsible Under Officer, four shillings a week for a Gentleman Cadet who is an Under Officer, three shillings and sixpence a week for a Gentleman Cadet who is a Corporal, and two shillings and sixpence a week for all other Gentlemen Cadets. The expense of this allowance will be defrayed out of the amount deposited for the purpose of meeting contingent expenses, and in the case of Queen's or Indian Cadets it will be borne by the public.

Discipline.

33. All Gentlemen Cadets are subject to such rules and regulations as are, or may be from time to time, established for the maintenance of good order and discipline.

Regulations R. Mil. Coll.—continued.

34. Every Gentleman Cadet will be liable to be removed from the College at any time, should his conduct be such as to render it obvious that his remaining longer would be either hurtful to the Institution or unprofitable to himself.

35. To every Cadet will be assigned, at the commencement of each term, 100 marks or conduct.

From this number deductions will be made in certain authorized proportions for every offence which shall have been met by a punishment of more than two days' drill.

Should the Cadet forfeit more than three-fourths, or 75 of the above 100 marks, he will not be Gazetted to his Commission until all other Gentlemen Cadets of the same batch shall have been provided for; and should he lose all his marks for conduct he will be rusticated for one term.

36. Gentlemen Cadets are strictly prohibited from contracting debts with any publican or tradesman in the vicinity of the College.

37. No perquisites or presents of any kind are to be received by any person belonging to the College from either the Gentlemen Cadets or their friends.

38. Gentlemen Cadets will not be allowed to remain at the College during the vacations, without the special sanction of the Secretary of State for War, on satisfactory proof being shown that they have no friends in the United Kingdom to whom they could go. Payment of £1:1s. a week will be required in such cases from those who are not Queen's Cadets.

Termination of the Course and Removal from the College.

39. The course of study is calculated for a residence of two terms or one year; any Gentleman Cadet may, however, remain at the College another term or half-year, for the purpose either of qualifying for a commission by purchase, or of competing for a commission without purchase; but no Gentleman Cadet will be permitted to remain longer than three terms.

40. Examinations for Commissions will be held periodically. The number of Commissions to be given without purchase will be announced previously to the examination. These will be competed for and awarded to the Candidates who are first in order of merit.

41. Candidates who have not succeeded in obtaining a place amongst those to whom Commissions without purchase can be awarded, but who have obtained the minimum number of marks required for qualification, will be considered to have prior claims to all other Candidates for Commissions by purchase.

42. Queen's and Indian Cadets will receive Commissions without purchase on passing the Qualifying Examination. The names of those who distinguish themselves equally with Competitors for Commissions without purchase will be published in the same lists with the latter.

43. In every case a Certificate of Conduct and proficiency in Military and Athletic Exercises will be required from the Governor of the College before a Cadet can be examined for his Commission.

44. Any Gentleman Cadet desirous of entering the Royal Artillery or Royal Engineers will be permitted to offer himself as a Candidate at any of the competitive examinations for admission into the Royal Military Academy at Woolwich; and his position at the Royal Military College will not be affected by his failure at such examination.

45. When application is made to the Commander in Chief for a direct Commission for any Gentleman Cadet at the College, the fact of his being at the College is to be expressly stated in the application. In cases in which this rule is not complied with, any appointment which the Candidate may obtain by passing the examination for a direct Commission will, even though it may have appeared in the "Gazette," be cancelled.

46. No Gentleman Cadet is to be removed from the College without the permission of the Commander in Chief, obtained through the Governor of the College. And when a parent or guardian intends to withdraw a Cadet, or, if of age, the Gentleman Cadet intends to leave the College, at the end of a term, at least six week's notice of his intention is to be given to the Governor. In default of such notice a quarter's subscription must be paid.

Miscellaneous.

47. The Establishment for Queen's Cadets having been sanctioned by Parliament when the age of admission to the Royal Military College was from 13 to 15 years, it has been decided that in any case when the services of the father and the circumstances of his family are such as to constitute a claim, an addition of not more than 40l. a

48. It is desirable that every Candidate who is under 21 years of age should, at his admission, be accompanied by his parent, guardian or some other responsible person, to satisfy the requirements of the College on his behalf.
